Dear Chief Treschuk,

I would like to thank you and the Rockville City Police Department for your efforts and very able assistance during the State of Maryland vs. John Allen Mohammed trial. From the very early planning stages to the completion of the trial your officers worked hand in hand with the Sheriff's Office regarding important issues including parking and traffic concerns surrounding the courthouse. Without this team effort, this trial would not have proceeded as it did; that is, by all accounts smoothly and incident free.

It is gratifying to know that the Sheriff's Office can always count on the assistance of the Rockville City Police Department. Certainly, this collaboration benefits the entire community.

Thanks again for everything, and I look forward to working with you and your department in the near future.

Sincerely,
Lt. John Bean

RECEIVED
CITY CLERK'S OFFICE

Dear Mayor Giammo,

At your Drop-In on March 20, 2006, you and Mr. Raymond Logan, of your staff, met with my wife and me and our neighbor, Chris Fredricks. This was in regard to our problem with water intrusion and mold in our condo units in King Farm. We strongly felt that the Builder, the Bozzuto Group, was attempting to evade his responsibility for what we saw as builder's error that allowed rain water to enter our units. We were not getting any support from our Board of Directors in this matter.

Thanks to your intervention and the stellar persistence of Mr. Logan, the Builder finally agreed to accept his responsibility, and made the necessary repairs. Mr. Logan was absolutely wonderful, and followed through with numerous phone calls every step of the way. This problem would not have been resolved properly without your help and Mr. Logan's.

There are no words to express how grateful we are to the two of you. Thank you, thank you, thank you!

Sincerely,

Harold S. Lippmann

Dear Lee:

I apologize for being so late with this note but wanted to thank you for all your help in arranging for MCASA to provide autism training to the Rockville City Police Department in April. All of us on the MCASA Board were very grateful for the attention and interest that we received from the officers during the sessions, and we feel that the training was a worthwhile experience for all of us.

I hope that you will call on MCASA if we can ever be of assistance to the Department. We would be delighted to help in any way that we can.

With gratitude and best wishes,

Sincerely,
